PRESIDENT'S MESSAGE

Lion Paul Puccinelli

January 2020 starts the third decade of the 21st century. As a child, I viewed the 21st century as a futuristic "Jetson's" type world. Time moves quickly and the world is ever changing. It is a far better place because over 100 years ago a few people had the foresight to form a Lions Club that has grown into a worldwide charitable organization. For us, 49 years ago this February, our Manitowish Waters Lions Club was chartered

to include 79 local leaders. These visionaries created a strong organization built on a bond of community service and a commitment to the Lions mission.

Forty Nine years later, our Club is still growing strong. Today, we strive to achieve the Lions goals and aspirations as did the original charter members. It is the responsibility of every member regardless of age or experience in the Club to participate in our activities and be leaders. Many of our activities require significant hours of dedicated workers, leadership and preparation to be successful. As we start a new year and decade, I ask each of you to look deep into your hearts and

select one additional Lions activity to serve as a dedicated volunteer. Some do not even require a lot of physical activity. Try it, I know you will like it.

The Club needs new members who will participate in our valued activities and step up to leadership positions. What does it take to ask your neighbor, the person next to you in church, or in line at the grocery store, post office or gas station to be a Lion? Do "The Ask", and be a sponsor and mentor. It is very satisfying to bring a friend into the club and be a mentor to a willing participant and eventual leader.

I wish to extend a very happy, healthy, and prosperous New Year to each of you and your families. Wherever we are, we are Lions and we SERVE.
