Past President John Hanson

With the passing of Henry Bauers we have lost another extraordinary man and Lion's member. Our sincere condolences go out to Lois, BJ and the rest of the family at his passing.

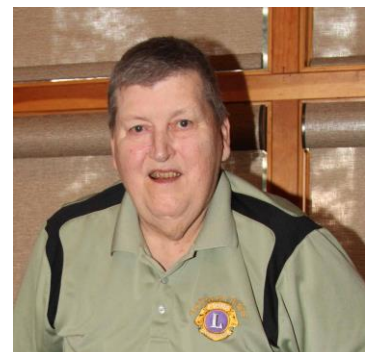

I first got to know Henry well when he was elected to the Town Board. His first assignment was to research and come up with a recommendation for a new water patrol boat. That project alone showed that he was going to be an outstanding board member. Through the years he led many projects including upgrading the playground and supervising the construction of the bathroom facilities at the playground. .

He established a close relationship with Mrs. Uihlien which led to her

funding of major improvement in our town parks. The most significant project was his leadership in the development of our world class bike trail system.

As a Lion he provided the same kind of leadership. He served on our Board for several years, and was President for two terms. He served on several committees, and where there was a need, Henry was there. Much of what he did was under the radar, but key to the efficient operation of the events our club held.

We mourn the loss of Henry, but I know he would much rather have us celebrate his life. It was a life well lived, and he left our lives and the world in a better place. Our memories of Henry are filled with the many contributions he made for the betterment of our community.. John Hanson
